Dear Mr. Rocca,

Re: Italian Red Cross Code of Conduct for Volunteers and Staff

Thank you for sharing with the Federation the new Code of Conduct for Volunteers and Staff of the Italian Red Cross through a letter to our President Mr. Konoe.

We appreciate to see that Italian Red Cross has designed and adopted an essential tool in the practice of good management. The Code of Conduct provides volunteers and staff with clarity on what is expected from them, protects the reputation of the organisation and contributes towards moral and legal respect towards the third parties and last but not least contribute to the security of staff and volunteers.

As you rightly note in your letter, the use of Code of Conduct is recommended and generally a common practice in the National Societies and the Secretariat of the Federation.

We wish you success in your internal process and stay at your disposal for any further guidance.

Sincerely yours,

Bekele Geleta
